### Heat policy in effect for Summer 2025 Bookmobile stops due to lack of air conditioning on board

#### Partial day cancellation:

At a predicted daily temperature of **90 to 94 degrees**, with or without the heat index, any **stops beginning after 12:00 noon will be cancelled**. Afternoon stops include Firth, Hickman Presbyterian Church, Kloeffkorn Elementary and Southwood Neighborhood. We will still attempt to visit morning stops as long as the temperature and/or heat index is not predicted to reach 90 degrees during the morning hours.

#### Full day cancellation:

At a predicted temperature of **95 degrees or higher**, with or without heat index, **all stops for the day will be cancelled** regardless of morning temperatures. This is to help protect staff, who often spend up to an hour preparing the vehicle and traveling to or from stops.

In the event stops are cancelled, items checked out from the Bookmobile which are due that day will be renewed.
